

Online: Nov. 13, 14 and 15, 2024

The Immigration, Refugees and Citizenship Canada (IRCC) office at the Canadian Embassy in France is organizing an **online recruitment fair**, from November 13 to 15, to connect Canadian employers with qualified French-speaking and bilingual international candidates in the **Tourism-Hospitality-Culinary** sector.

How to participate?

If you are an employer with job openings in this sector, you are invited to [register here to participate](#). Registration is open until October 27, 2024. Participation is free of charge, but the number of places is limited.

If you have positions to fill but are not available to participate, **send us your job offers before October 27** for the positions you wish to fill, and we'll take care of recruiting your future talent at the virtual show.

Send your job offers to Jonathan Desrosiers, Employer Liaison Project Officer, at jdesrosiers@afy.ca

IRCC agents and representatives from the provinces and territories will be online to explain the immigration process and answer questions about work permits.

About the candidates

Candidates will submit their online application and CV and upload their CV. IRCC will make a selection among these candidates to invite those who seem to best match the needs of employers and meet the criteria for immigration programs.

Among the candidates who will be invited to participate, some will already be in Canada with a study or work permit but most will be outside Canada. They will be eligible for a facilitated work permit in the [Mobilité francophone](#) stream which allows you to hire Francophone or bilingual foreign nationals for positions outside Quebec without having to get a Labour Market Impact Assessment.

Every year, Destination Canada provides access to a pool of qualified candidates from around the world, don't miss this opportunity!
