

Virtual Speed-Jobbing

An innovative way to recruit or find a job in no time!

Don't miss your chance to take part in virtual speed-jobbing, which connects employers ready to recruit with French-speaking or bilingual jobseekers from immigrant backgrounds eligible to work in Canada. Inspired by the concept of "Speed-Dating", speed-jobbing is an organized, timed interview process designed to find a professional match for everyone's needs.

What are the advantages of taking part?

- Express interviews lasting 12 minutes
- A maximum of 11 interviews
- A selection of job offers and profiles that are varied and adapted to your needs
- 100% online event
- Technical support available at all times

Employers

Register before March 7 to take part in Speed-Jobbing [as a recruiting company](#).

For more information, please contact Jonathan Desrosiers directly at jdesrosiers@afy.ca. Once you've registered, we'll contact you to find out more about your vacancies, so that we can best pre-match candidates with you.

Candidates

Register before March 7 to take part in Speed-Jobbing [as a job seeker](#).

Once you've registered, we'll contact you to find out more about your profile and match you up with participating employers.
